

## Hanne De Jaegher

Department of Logic & Philosophy of Science, University of the Basque Country

Avenida de Tolosa 70, 20018 San Sebastián, Spain, +34 943018258

hannedejaegher.net — h.de.jaegher@gmail.com — @participha

Philosopher of mind & theoretical cognitive scientist, researching intersubjectivity.

Vision and focus: enaction, embodiment, **participatory sense-making**, novel methodologies, implications for (psycho)pathology (autism) and therapeutic approaches, love, intimacy, women's issues.

### Academic positions (selection)

|             |                                                                                                                |
|-------------|----------------------------------------------------------------------------------------------------------------|
| 2015 –      | Ramón y Cajal Research Fellow, Department of Logic and Philosophy of Science, University of the Basque Country |
| 2012 – 2014 | Deputy Training Coordinator, Marie Curie ITN “TESIS”, Univ. o/t Basque Country                                 |
| 2010 – 2012 | Marie Curie Intra-European Fellow (IEF) “INDYNAUTS”, Univ. o/t Basque Country                                  |
| 2008 – 2010 | Experienced Researcher (ER), Marie Curie RTN “DISCOS”, Univ. of Heidelberg                                     |

### Education

|             |                                                                          |
|-------------|--------------------------------------------------------------------------|
| 2001– 2006  | <b>D.Phil.</b> philosophy of cognitive science, University of Sussex, UK |
| 1996 – 2001 | <b>Licentiate</b> in philosophy, Free University of Brussels, BE         |

### Grants (selection)

|           |                                                                           |             |
|-----------|---------------------------------------------------------------------------|-------------|
| 2015-2019 | <b>Ramón y Cajal Fellowship</b> , RYC-2013-14583, Spanish Government (PI) | € 300 000   |
| 2010-2012 | <b>Marie Curie Intra-European Fellowship</b> , IEF-253883 (PI)            | € 147 217   |
| 2010      | <b>Marie Curie Initial Training Network</b> “TESIS”, ITN-264828 (team)    | € 4 300 000 |

### Research impact

- > 3700 citations, h-index 20, i10 index 24 (23 articles published in total), according to Google Scholar, accessed March 2019
- > 1590 citations, h-index 12, according to Scopus, excl. self-citations (accessed April 2018)
- > 70 presentations at international conferences, of which > 50 invited/keynotes
- Appeared in a documentary about consciousness on Spanish National TV, *Tres14*, RTVE La2, 2012
- Publications translated into Spanish and Japanese
- International collaborations, both academic and inter-sectorial (with among others: Autism Centres in BE, DE, ES; Psychotherapy Centre, BE; Physiotherapy researchers, NO)

### Summary of publications

2 books; 1 manuscript in progress; 23 peer-reviewed articles; 11 book chapters; 1 edition/eBook
